**Current Certificate Name** Engineering Entrepreneurship
**Effective Term** Spring
**Effective Year** 2019
**Requested Action** Other (selecting this option will open additional form fields below)
**Change Certificate Name?** Yes
**Proposed Certificate Name** Engineering Innovation
**Change Certificate Name on Transcript?** Yes
**Current Transcript Name** Engineering Entrepreneurship
**Proposed Transcript Name (21 char. max)** Engineering Innov
**Change Credit Hours?** No
**Current Credit Hours** 9
**Proposed Credit Hours** 9
**Change Certificate Description?** No
**Current Certificate Description** This certificate is designed for engineers in industry, the military, or engineering students worldwide interested in expanding their knowledge and practice of engineering specific entrepreneurship, entrepreneurial thinking, business plans, investor presentations, leadership skills, ethics, communications, negotiations, cross-cultural project teams, global collaboration, and engineering innovation principles.
**Proposed Certificate Description (50 word max)** This certificate is designed for engineers in industry, the military, or engineering students worldwide interested in expanding their knowledge and practice of engineering specific entrepreneurship, entrepreneurial thinking, business plans, investor presentations, leadership skills, ethics, communications, negotiations, cross-cultural project teams, global collaboration, and engineering innovation principles.
**Change Certificate Prerequisites?** No
**Current Prerequisites** Registration with UF as a graduate certificate seeking student and a grade of 3.0 or above on all required courses.
**Proposed Prerequisites** Registration with UF as a graduate certificate seeking student and a grade of 3.0 or above on all required courses.
**Change Certificate Requirements?** No
**Current Requirements** EGN6640 Entrepreneurship for Engineers, EGN6642 Engineering Innovation, and EGS6039 Engineering Leadership

**Proposed Requirements** EGN6640 Entrepreneurship for Engineers, EGN6642 Engineering Innovation, and EGS6039 Engineering Leadership. (same as existing)

**Impact on Program** Consistency and Clarity
**Rationale for Proposed Change(s)** The existing equivalent undergraduate certificate is called the Engineering Innovation Certificate. This change to the graduate certificate name will clarify the comparability of the two certificates and reduce confusion between the two.
**Assessment Data Review** None required
**Academic Assessment Plan Changes** None required
