14. The College of Public Health and Health Professions seeks to reaffirm the combination graduate/professional degree program between the Master of Public Health and the Doctor of Pharmacy (#17236). Dr. George Hack was present (via Zoom) for discussion. A motion to approve was made, seconded, and passed unanimously, with a proposed effective date of earliest available.

II. INFORMATION ITEM / ADMINISTRATIVE ACTION:

15. Graduate Programs – Distance or Self-Funded (No new items)

III. DISCUSSION ITEMS:

- Second-term missing credential holds
  Plan to no longer require a formal petition requesting the deferral of an ‘Admissions Credentials hold’ to allow for a second term of graduate program enrollment at UF.

- Online Ph.D. program proposals
  Look at process and language to create a standard for proposals. More meetings will be held to further discuss online modality.

The meeting adjourned at 2:00 p.m.
